Giving Shape to Ideas

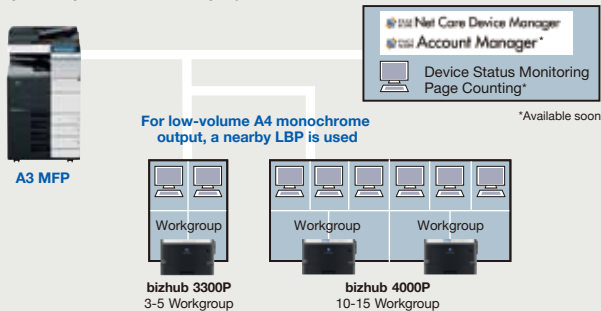

bizhub 4700P
Operation Panel

An A4 monochrome printer that drives all-round efficiency

Drive Efficiency

With a time to first print from Ready as quick as 6.5 seconds and fast output speeds of up to 47ppm (A4), the new bizhub makes light work of all common office output jobs. The optional paper trays can boost paper capacity up to 2,300 sheets (4700P), reducing downtime caused by empty paper trays. Konica Minolta's PageScope Utilities software (PageScope Net Care Device Manager, Page Scope Account Manager*) allows status monitoring and consumables management of multiple devices as well as page counting*. The software is the same as that used with Konica Minolta's A3 MFPs, easing the job of administrators. *Available soon

Example of optimal device deployment

A central A3 MFP is used for high-volume/high-quality color output, while high-speed monochrome page printers are located within each workgroup area. Users can select the most suitable printer for a particular job, so many routine office printing tasks can be completed without leaving the workgroup area. In addition, efficient device management is possible using similar management utility software for all devices.

Outstanding Ease of Use

The PCL, PS and XPS-compatible driver software for the bizhub 4700P/4000P/3300P series has the same user interface design as the drivers for Konica Minolta's A3 MFPs, and includes acclaimed features such as the My Tab function. The LCD display* with easy-to-use animated navigation makes adjusting settings quick and intuitive. Changing toner cartridges and paper is also quick and simple thanks to front access to the unit, and the compact body allows greater flexibility in placement.

Eco-Friendly Features

The eco-friendly design of the bizhub 4700P/4000P/3300P series helps to preserve our environment and saves operating costs as well. A special Eco Mode reduces power consumption, as well as toner and paper use, while a hibernation setting allows the unit to consume as little as 0.5W of power when not in use—leading to even higher savings than the standard sleep mode. The application of automatic duplex and N-up printing drastically reduces paper usage of many day-to-day printing jobs.

bizhub 4700P/4000P/3300P Specifications

Model Name	bizhub 4700P	bizhub 4000P	bizhub 3300P
Standard Functions	Digital Mono Duplex Printer		
Type	Desktop		
Speed (LTR/A4)	50 ppm/47 ppm	42 ppm/40 ppm	35 ppm/33 ppm
Print Resolution	1200 x 1200 dpi		
Memory Capacity (Std/Max)	256 MB/1.28 GB		128 MB/NA
Image Loss	4mm (0.16 inch) or less on all 4 edges of the media.		
First Print Time	As fast as 6.5 seconds from Ready and 9 seconds from Sleep		
Hard-Disk Drive	None		
Max Paper Size (WxL)	8.5" x 14"		
Std Output Tray Capacity	250 sheets	150 sheets	
Multipurpose Feeder Capacity/Weights	100 sheets/60-163 g/m ²		50 sheets/60-163 g/m ²
Std/Max Paper Sources	2/5		2/3
Standard Paper Capacity	650 Sheets= 550-Sheet Tray + 100-sheet MPF	350 Sheets= 250-Sheet Tray + 100-sheet MPF	300 Sheets= 250-Sheet Tray + 50-sheet MPF
Max Paper Capacity	2300 Sheets=1 x 550-Sheet Tray + 100 MPF + 3 x 550-Sheet Tray (Optional)	2000 Sheets=1 x 250-Sheet Tray + 100 MPF + 3 x 550-Sheet Tray (Optional)	850 Sheets=1 x 250-Sheet Tray + 50 MPF + 1 x 550-Sheet Tray (Optional)
Standard Input Tray	60-120g/m ²		
Operating Systems	Windows 7/7 x64 Edition, Windows Vista/Vista x64 Edition, Windows XP/XP x64 Edition Server 2003/2003 x64 Edition, Server 2008/2008 x64 Edition, Server 2008 R2 MAC OS X (10.3.9/10.4/10.5/10.6/10.7)		
Duplex	Standard		
Power Requirements	AC 100-127, 220-240 (50-60 Hz)		
Display/Characters	2.4inch color LCD		LED
Dimensions (HxWxD)	305.9mm x 399mm x 382mm	262.7mm x 399mm x 382mm	262.7mm x 399mm x 382mm
Weight (Base Unit)	15.7kg	15kg	14.0kg

Cartridge Return Program

Konica Minolta Return Program cartridges are patented print cartridges sold at a discount in exchange for the customer's agreement to the license requirement that the cartridges will be used only once and returned only to manufacturer for remanufacturing or recycling. These patented cartridges are licensed for single use only and will stop working after delivering a fixed amount of toner. Toner may remain in the cartridge when replacement is required. Replacement cartridges sold without these restrictions (non-returnable cartridges) are also available.

Please contact a Konica Minolta representative for further details and availability.
