Giving Shape to Ideas

bizhub A4 Monochrome MFPs for Any Environment

From busy, compact locations to large scale offices, find the perfect fit for your space. Choose from a range of high-speed monochrome MFPs designed to keep up with your business.

LARGE &
MEDIUM SCALE
OFFICES

SOHO
OR
SHOP SPACES

B & W	B & W Scan
47 ppm	94* ipm
Colour Scan	Electrostatic touch panel
60* ipm	7 inch

*double-sided scan

bizhub 4752

The high functionality of a full-scale MFP, combined with speed and excellent network affinity. Printing up to 47 ppm and capable of operating seamlessly as part of a larger bizhub network, bizhub 4752 is an excellent choice for customers who require not only speed, but great features and functions as well.

B & W	B & W Scan
40 ppm	94* ipm
Colour Scan	Electrostatic touch panel
60* ipm	7 inch

*double-sided scan

bizhub 4052

Complete with the same large 7-inch touch panel display and legal paper size compatible colour scanner as bizhub 4752, bizhub 4052 offers 40 ppm high-speed and outstanding affinity with bizhub A3 MFPs.

B & W	B & W Scan
44 ppm	42 ipm
Colour Scan	Colour touch panel
20 ipm	4.3 inch

bizhub 4422

High-speed, with low operating costs, this all-rounder is perfect for small- to mid-size offices. Capable of 44 ppm, Super 3G faxing and colour scanning even for legal size paper, bizhub 4422 is built for speed and efficiency.

B & W	B & W Scan
36 ppm	42 ipm
Colour Scan	Colour panel
20 ipm	2.4 inch

bizhub 3622

Compact size and solid performance make the bizhub 3622 ideal as a main machine for small offices. 36 ppm performance combined with colour scanning and Super 3G faxing as standard make this machine an excellent all-rounder.

bizhub 4752/4052

Outstanding Speed and Seamless Integration into Existing MFP Networks

High Speed Printing

No one wants to wait around for their work to finish printing. Outputting 47 ppm and 40 ppm respectively when printing or copying on A4 size paper, bizhub 4752 and 4052 are designed to boost your efficiency. Pick up your first page in under 8.5 seconds.

Compact Design & No Need for Extra Wires

Some spaces just aren't large enough for a full size MFP. With a footprint of only around 0.25 m², these compact bizhub MFPs are small enough to keep on your desktop or in any convenient space while still offering a wide range of great features. They are also ideal as sub machines in a larger network of MFPs, and wireless capability makes it possible to install them wherever is convenient for you, without the need to install extra LAN wiring.

Finish Documents the Easy Way

Add the optional finisher to your unit to easily prepare documents and staple up to twenty sheets at once.

Two Sides on One Page

Copy the front and back of small documents onto one sheet of A4 paper. Ideal for copying licenses, business cards or other small documents without wasting paper.

Large Capacity Paper Feed

Increase the standard 550-sheet paper capacity with optional paper feed units. A 100-sheet manual bypass tray or up to three additional 550- and/or 250-sheet paper feeding units can be installed to increase paper capacity while keeping the same compact footprint.

Complete Control via the 7-inch Touch Panel

Konica Minolta's design smart user interface, INFO-Palette, shines on the large 7-inch electrostatic touch panel. Easy to understand and even easier to use, the smartphone-like operability makes controlling your bizhub simple.

The soft numeric keyboard has been revised to enable faster input.

Get Smart with Mobile Printing & Scanning

Konica Minolta Mobile Print

Print and scan directly to and from your smartphone or tablet when connected to your office Wi-Fi. Then upload straight to the cloud from your device. Fast and secure, Konica Minolta Mobile Print even allows you to use your smartphone to touch in on the NFC tag on your MFP.*

*Only available for Android devices equipped with an NFC antenna
For iPhone and iPad, download Konica Minolta Mobile Print from the App Store
For Android devices, download Konica Minolta Mobile Print from Google Play
For Windows mobile, download Konica Minolta Mobile Print from Microsoft Store

AirPrint

Easily print from Mac OS and iOS devices without a printer driver.

Mopria Print Service

Print from devices using an Android OS without a printer driver.

Konica Minolta Print Service

Standard Android Print functions can print directly to bizhub. Available for Android OS only.

Google Cloud Print

Print via the internet from iOS devices, Android devices and PCs without a printer driver.

Scan in Colour

Easily scan even large documents with single-side scanning at 30 ipm in colour, and 47 ipm in black and white. What's more, thanks to the high-speed DADF (duplexing automatic document feeder) equipped as standard, the speed doesn't change when you need to scan double sided documents. Process up to 60 ipm in colour and 94 ipm in black and white.

User Authentication

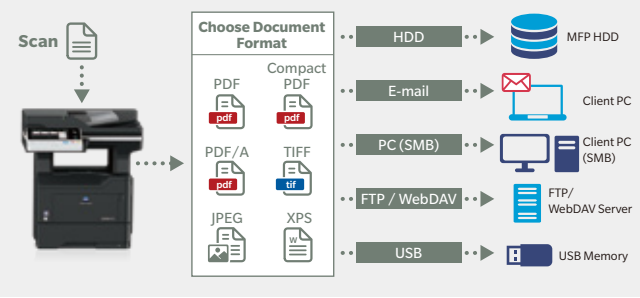

Optional authentication systems allow administrators to set restrictions on copying, printing, scanning and faxing, so you can create an authentication system that suits your office needs.

Expand Your Potential with i-Option

i-Option expands the potential of your bizhub. Easily install extensions, such as barcode fonts, Unicode fonts, OCR fonts and ThinPrint functionality.

Paperless Sharing

Scan documents into a range of formats including three different types of PDF, TIFF, JPEG and pptx, and then share it in the way that suits you.

Print from USB

Data stored on a USB memory device can be printed directly from the USB port on the front of the bizhub's control panel. Print from a range of document and image formats including DOCX, PPTX, PDF, JPEG, PNG and TIFF.

Keep Your Documents Secure

Security is crucial, no matter what size your business is. These bizhub models meet IEEE 2600.1 international protection profile standards. All security features have been independently evaluated and certified ISO 15408 EAL3 compliant, so you can print in confidence, knowing your documents are secure.

bizhub 4422/3622

Small but Powerful All Round Performance for Smaller Work Environments

Cost-effective Printing

Optimized for small offices, bizhub 4422 and 3622 deliver outstandingly low total cost of operation, giving you savings on both initial costs and running costs.

bizhub 4422 bizhub 3622

A Small Footprint to Save Space

With a footprint of just 0.21 m², these MFPs are small enough to keep on your desktop. What's more, optional Wi-Fi connectivity for bizhub 4422 allows for set up at any convenient location inside your office space with no need to install additional LAN cables.

Easy-to-read Colour LCD Display

The bizhub 4422 and 3622 feature colour LCD panels to display copy, print, scan and fax modes. The 4422's large 4.3 inch display lets you to see exactly what you are doing, allowing you to quickly review documents and select settings or print modes. The 3622 features a more compact, yet crystal clear 2.4 inch colour display, making browsing through setting easy.

Increasing Paper Capacity is Simple

Add up to three 550- and/or 250-sheet paper feeding units to increase paper capacity while keeping the same compact footprint.

Scan in Colour

Scan one-sided documents at 20 ppm in colour, or 45 ppm in monochrome, and double-sided documents at 10.5 ipm in colour, or 20 ipm in monochrome with the bizhub 4422's high speed RADF (Recirculating Automatic Document Feeder), equipped as standard. Or if your needs are simpler, bizhub 3622 will scan one-sided documents at 20 ppm in colour or 45 ppm in monochrome, with no double-sided scanning.

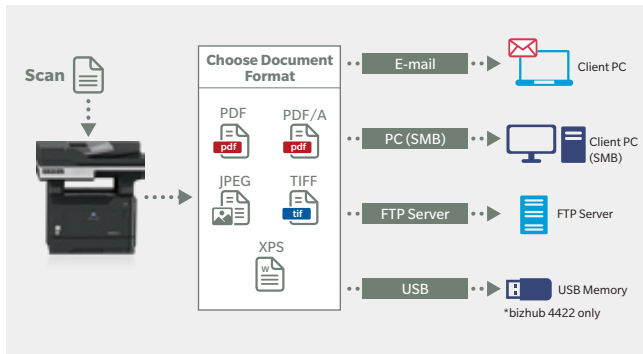

PageScope Mobile

Print and scan directly to and from your smartphone or tablet when connected to your office Wi-Fi, and upload straight to the cloud from your device. Fast and secure, PageScope Mobile allows you to keep moving without the need to waste time transferring documents between devices.

Paperless Sharing

Scan and share documents in a range of formats including three different types of PDF, TIFF, JPEG and XPS. Share via email, store on an FTP server or share with client PCs.

Two Sides on One Page

Consolidate multiple pages when copying and printing. Copy up to four pages onto a single page through your MFP and consolidate up to 16 pages onto one page when printing. Combine this function with double-sided printing to see a dramatic saving on paper.

Print from USB

Data stored on a USB memory device can be printed directly from the USB port on the front of the bizhub's control panel (bizhub 4422 only). Print from a range of document and image formats including DOCX, PPTX, PDF, JPEG, PNG and TIFF.

Fax as Standard

In addition to copying, printing and colour faxing, the bizhub 4422 and 3622 come with Super 3G fax as standard. All-round performance in a compact package.

All-Round Performance

Save Energy with Eco Mode

Run your office more economically and stay friendly towards the environment with Eco Mode, reducing power usage, while also helping you save on toner and paper.
